# Australian Equities Growth Portfolios

Australian Equities Growth Portfolios are actively managed portfolios of Australian shares.

Private Portfolio Managers Pty Limited (PPM) is a boutique investment manager with expertise in building and managing equity portfolios for clients through individually managed accounts (IMAs). Although each IMA portfolio is managed individually and incorporates each client's specific investment parameters and tax requirements, the aggregate characteristics of the Australian Equities Growth Portfolios are detailed below.

## Key Features

- A portfolio of directly held Australian shares
- Selected and managed by PPM using its proven investment process
- Risk averse, long term approach
- Tax aware, seeking to optimise after tax returns
- Concentrated portfolio of high quality companies

## Investment Objective & Strategy

- Outperform S&P ASX All Ordinaries Accumulation Index over an investment cycle
- Low long-term volatility
- Investment process identifies strong companies and industries. Disciplined approach to valuation
- Comprehensive, in depth research into investments

## Investor Profile

PPM's Australian Equity Growth Portfolios are designed for clients who:

- require a bespoke Australian equities portfolio;
- want the flexibility of being able to invest cash or transfer into their portfolio existing shares without triggering tax consequences;
- seek investment growth in a tax effective manner; and
- have a long term investment horizon of at least five years and accept the risk of price fluctuations during that period.
